### INTRODUCTION

Keep a tab on your USB files with the Integral Mi-Drive. Supplied with plain peelable labels so you can easily make a note of what's stored on the USB.

Mi-Drive is ideal for labelling backups, presentations and projects, so you never lose track of your important data. The USB is capless - just push and slide.

### FEATURES

- Includes peelable labels so you can easily keep track of the USB content
- Ideal for labelling backups, files and projects
- Capless design, just push and slide
- Unique ID (optional) – The USB Flash Drive can be personalised with a designated company identifying name or number. This will allow a Network Administrator to block access to unrecognised USBs for security purposes, whilst allowing the Integral USB Flash Drive to function as the 'official' company drive.
